Delivering HOPE. HEALTH. HOME. THROUGHOUT THE COVID CRISIS

WE COVER THE “LAST MILE”

While not in school, students have lost community connections to critical services: food staples, prepared meals, hygiene items, cleaning supplies, diapers, masks, clothing, school supplies and books. We have partnered with other nonprofits to bring vital services directly to the children in our community who need them most.

COVID Crisis severely disproportionately impacted

38,500 WAKE COUNTY HOUSEHOLDS
living in poverty, who cannot afford basic household needs like furniture for their homes or beds for their children.

WHAT WE do best.

Experienced in Crisis
Hurricane Florence 2019:
Served 600+ Eastern NC families

Creative ability to pivot

10 YEARS STRONG
serving Wake County

6,000+ CHILDREN
in Wake County lack a bed of their own

96% of children in need of beds are sleeping on the floor, couch or with others.

But for right now, it is a big relief to our school social workers to know that we can provide these essential items to support our families at this unique time. For that, and for all the work Green Chair does we are very grateful. Thank you.

- Stephanie Veeder, WCPSS social worker

Our 2020 impact.
